

SUPPLEMENTAL DECLARATION AND POWER OF ATTORNEY
REISSUE PATENT APPLICATION

As the below named inventor, I hereby declare that my citizenship, residence postal address and residence are as stated below; that I verily believe myself to be the original, first and sole inventor of the invention entitled:

A VACUUM PROCESS APPARATUS

the specification of which was filed on September 19, 1995 in the parent application and included original U.S. Patent No. 5,245,736, issued September 21, 1993, and amendments thereto as required by 37 C.F.R. § 1.171 et seq.

I verily believe that, as provided in 37 C.F.R. § 1.175, as amended, the original U.S. Patent No. 5,245,736 is partly inoperative because I claimed less than I had a right to claim in the patent, in particular Claims 1 and 16 being insufficiently broad and Claims 30-3 being required to more comprehensively cover my invention.

All errors being corrected in this reissue application up to the time of filing of this Declaration arose without deceptive intent.

I offer to surrender the original patent and/or provide an appropriate affidavit or declaration in the event the same is lost, upon the indication of allowability of the reissue patent application.

I hereby state that I have reviewed and understand the contents of the above-identified Specification, including the Claims, as amended by any amendment referred to above. I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56 (a).

I hereby claim foreign priority benefits under Title 35, United States Code §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
